***The Process:***

To be considered a candidate for any of the awards, a resume needs to be submitted on an individual's behalf. That resume can be submitted by anyone. The resume needs to clearly identify the contributions this individual or company has made to the oil and energy industry. It needs to be clear so that the judges who do not know the person or company can make an informed decision based upon the well documented resume.

**All submissions must be received by Monday, April 15, 2024**

There are six (6) judges that select the winners using a points system to make their selections. The judges currently are:

Awards Chair: Matt Spink – Long Island Chapter

Steve Schwanger – Southeast PA Chapter
